

Bravo Seven Solutions, LLC

End-to-end federal contracting support - proposal development, pricing, compliance, teaming, and contract execution

Capability Overview

Veteran-owned small business providing government contracts lifecycle management: capture and teaming strategy, proposal development, pricing models, compliance and certifications, and post-award program enablement.

Core Competencies

- Capture & teaming strategy, LOAs/TA coordination
- Compliance matrixing; portal submission (SAM/PA Supplier/etc.)
- Proposal development (Technical, Pricing, Certifications)
- Post-award: vendor onboarding, reporting, QA/HSE templates
- Pricing models: FCMM/Davis-Bacon, GSA travel, markups, cost roll-ups

Differentiators

- **Veteran-led, rapid-turn proposal operations**
- **Restoration/environmental teaming expertise; vendor-agnostic**
- **Enterprise background (Oracle, IBM, IFS) in federal programs**
- **Reusable playbooks and pricing governance to reduce cycle time**

Representative Experience

Provided federal proposal development, pricing, and compliance support to BELFOR USA on large-scale restoration and environmental service solicitations, including the Library of Congress Preservation & Recovery RFP and the Pennsylvania DMVA opportunity (teaming support role). Relevant federal contract lifecycle experience includes work with Oracle, IBM, and IFS on enterprise programs.
